Moving House Checklist

We realise moving house is a stressful experience. For this reason, we have put together a moving house checklist so you don't forget to tell people you've moved. We've left a space at the end in case there's anything we've missed.

Remember to take a meter reading on the day you move, if you have a meter for your gas, electric and water. You can then be billed accurately for what you have used.

Household Bill	Your Customer Reference Number	Phone Number / Web Address	Contacted?	Date
Example Household Bill	12345678910	01234 567891		05/04/12
