

3 Seconded Teacher Opportunities

Location: Cilfynydd, Nr Pontypridd, Cog Moors, nr Dinas Powys, Brenig nr Denbigh

Who we are

When you think about it, water is the most basic human need. So what we do at Welsh Water is incredibly important – we give three million customers safe, clean water, take away their dirty water and help to protect our beautiful environment.

It's an awesome responsibility, and we have to earn our customers' trust every single day. Being the only not-for-profit company in the utilities sector is certainly a good start. Every single penny we make goes back into looking after their water and environment, rather than going to the pockets of shareholders.

The Education team is an award winning team where we inspire tens of thousands of pupils every year through hands on fun activities at both our Discovery Centre's and through outreach in schools. We are offering a fantastic opportunity for the right individual to join the Education Team and play a part in shaping their future.

What you will do

An exciting opportunity has arisen for three 12 month secondments for a professional teacher to join the Education team.

The Education team is instrumental in delivering key business messages to our future customers through fun interactive activities developed by teachers and linked to the National curriculum. We are therefore looking for an enthusiastic individual, who is passionate about inspiring young people and keen to make a difference through learning. To be successful in this role you will need to be currently employed in a school as this secondment is a professional development opportunity where you will remain employed by your LEA, therefore there will be no break of service.

A key part of this role will be to deliver and produce educational activities to visiting schools at our Discovery Centre as well as assemblies and outreach sessions in schools. We welcome both KS2 and KS 3 / 4 pupils and work closely with STEM and Welsh Baccalaureate linked programmes. You will need a collaborative approach, and be a real 'team player' as it is imperative that this role works well as part of a small Education team and part of the wider Communications team which is embedded throughout the whole business.

What we offer

We know that if our colleagues are happy, our customers are happy. Your secondment would include:

- ◆ 12 Month Secondment 1st September 2017 to 31st August 2018
- ◆ 30 days annual leave
- ◆ Full induction and training
- ◆ No break in service
- ◆ £30,000 towards the teacher replacement in your school

Interested?

Please send your CV and cover letter and return it to Claire.roberts@dwrcymru.com

Applications must be received by: Friday **24th March 2017**

YOU WILL NEED APPROVAL FROM YOUR HEAD TEACHER BEFORE APPLYING FOR THIS ROLE.

About the Role:

Reports to: Education Manager

Contract: 12 Month secondment

Working hours: 37 hours

What you'll be responsible for

- ◆ Delivering the Education programme to visiting schools as well as delivery of outreach in schools.
- ◆ Development of new resources and activities linked to the National Curriculum and key business messages
- ◆ manage bookings and H&S at the discovery centre
