

Water regulations checklist for your temporary event

We've created this handy checklist below to help you follow all the necessary steps in making sure your temporary event is compliant to the Water Regulations. If you have any questions, please contact the Water Regulations department on **01792 841 572** or **WaterRegulations@dwrcymru.com**.

- ☐ Have you notified Water Regulations of your temporary event?
- ☐ Have you shared site plans, information on the plumbing system and contact details as part of your notification?
- ☐ Have Water Regulations issued consent for your temporary event?
- ☐ Have you shared Water Regulations' consent, conditions and guidance with those installing the plumbing system?
- ☐ Has a date been agreed with Water Regulations to inspect your temporary event before it goes live?
- ☐ Have Welsh Water inspected the plumbing on site and signed off the installation?
